

## Jobs for Nature 2.0 is here to help you and your environment.

To carry out Jobs for Nature 2.0 program successfully, it is important for groups to follow the Environment and Social Code of Practice (ESCOP in short).

The ESCOP specify impact factors and mitigation measures for groups to avoid, minimize or mitigate environmental, safety and health risk.

The ESCOP can be defined into 4 key mitigation measures.

- Environmental protection
- Worker and Community Safety
- Health measures
- Social and behavior measures
