#### Overview of Trust Wallet Refund Policy

Trust Wallet does not {Support-New-York} +(1 )808/690/4872 directly handle refunds for lost or unauthorized transactions in the same way traditional {Support-New-York} +(1 )808/690/4872 financial institutions do.

However, {Support-New-York} +(1 )808/690/4872 they offer a variety of methods {Support-New-York} +(1 )808/690/4872 to assist users who face transaction issues or wallet-related concerns. {Support-New-York} +(1 )808/690/4872 if you need

further clarification or {Support-New-York} +(1 )808/690/4872 assistance regarding the refund process.

What Does a “Refund” Mean in a Trust Wallet?

When people ask about a “refund” on Trust Wallet, they are often referring to:

Reversing an unauthorized transaction

Recovering lost funds due to transaction failures

Assistance with reporting issues or potential fraud

It does NOT mean:

Automatic reimbursement for every failed or unauthorized transaction

Instant refunds for crypto transactions, as blockchain transactions are typically irreversible

If you need help with any refund-related questions, {Support-New-York} +(1 )808/690/4872 for further guidance.

How to Report Transaction Issues for a Potential Refund
